

Hawaiian – Shiftleader Eindhoven 24 uur

What will you do?

Are you ready to give your career a boost? At Hawaiian | Poke Bowl, we're looking for an enthusiastic shiftleader! At the end of beginning of October, we're opening the doors of our brand-new Hawaiian Poke Bowl location in Almere, and we're building our team from the ground up.

Whether you already have experience as a shiftleader or you'd like to grow into a leadership role, we'll provide the right support and training to help you succeed.

We're looking for someone who can **start ASAP**, so we can begin training on time. Please note: training will take place outside Almere, so flexibility to travel during the first few weeks is a must.

What will you do?

- Lead a team of student employees and ensure a positive, efficient workflow
- Monitor quality and make sure every bowl is perfect
- Help customers with their orders and provide top-level service
- Manage opening and closing shifts and keep everything running smoothly
- Get familiar with KPIs and learn how they help run the restaurant optimally

Who are you?

- **With experience?** You've already worked as a shiftleader or in a leadership role within hospitality or foodservice. You know how to guide a team and enjoy running a smooth, organized shift.
- **No shiftleader experience?** No problem! You already have work experience in hospitality or foodservice and are ready to take the next step. We'll train you to become a real shiftleader!
- You're at least 18 years old and looking for a full-time job.
- You know, or would like to learn, about safety and hygiene (HACCP).
- Working flexible hours (evenings and weekends) is no problem for you.
- You're customer-focused and can handle questions or complaints professionally.
- You want to work in a dynamic team and grow within a fast-growing company!
- You have a valid residence permit or work permit, and a BSN number.

What do we offer?

- Gross hourly wage of €15.67
- 38-hour contract, vacation days + commuting allowance
- Free bowl during shifts longer than six hours
- Working in an energetic team within an innovative fast-food concept

- **Growth opportunities!** We invest in your future: from shiftleader, you can grow into assistant manager, restaurant manager, or even further!
- **A range of fun activities!** Working with us is more than just a job:
- **Tribe Gatherings** where you meet all restaurant employees and share an unforgettable time together
- **Welcome Day** at our support office, including a fun goodie bag and of course a delicious lunch
- **And much more fun!** Think inspiring events and activities where colleagues quickly become friends
